CREATE YOUR OWN BEACH GAME! COMPETITION!

Do you like playing games on the beach?

Do you think you can come up with your own amazing beach game?

We are asking students to grab their friends and send us a video or photo of your very own beach game. You might want to combine some popular beach games, like cricket, frisbee or volleyball... anyone for a game of "crick-bee"? Or you might come up with your own unique game.

We have prizes for the most creative and unique entries.
SO, GRAB YOUR FRIENDS AND SHOW US WHAT YOU CAN CREATE.
