CREATE YOUR OWN BEACH GAME! COMPETITION!

Do you like playing games on the beach?

**Do you think you can come up with your
own amazing beach game?**

We are asking students to grab their friends and send us a video or photo of your very own beach game. You might want to combine some popular beach games, like cricket, frisbee or volleyball... anyone for a game of "crick-bee"?

Or you might come up with your own unique game.

We have prizes for the most creative and unique entries.

SO, GRAB YOUR FRIENDS AND SHOW US WHAT YOU CAN CREATE.
