# TASK

## ELIZABETH HARDAKER IS AN UNDERWATER PHOTOGRAPHER AND DIVER.

She is very passionate about marine life and ecosystems remaining untouched by humans. Her aim is to help educate strategies about how humans can let marine environments thrive by allowing food chains and breeding processes naturally perform their roles.

### CHOOSE ONE PICTURE OF A SEA CREATURE TO BE THE STIMULUS OR MAIN CHARACTER IN A CREATIVE STORY

Your story can be written from:

- the first perspective of your chosen sea creature
- a human who is interacting with your chosen sea creature

The creative writing piece is to be 1-2 A4 pages long.

Striped Leg Hermit Crab in a turban shell

Cleaner Shrimp

White Spotted Hermit Crab in a turban shell

Pencil Slate Urchin
